Gradi Golf Club would like to invite you to the **Polish Hickory Open**, organised according to the rules of British Golf Collectors Society. The tournament will take place at Pałac Brzeźno Spa & Golf, located in the beautiful Polish countryside between the major cities of Wrocław and Poznań. The tournament is open for everyone who is interested in hickory golf. It is required that participants play with original pre-1935 hickory clubs, or else with their exact replicas.

Polish Hickory Open will form part of the annual event **Retro Cup**, which combines the magic of the 20s and 30s with the magic of golf. The other parts of the event are the Retro Cup tournament, played with modern clubs, the hickory-themed Hickory Day on Friday, and the Retro Festival on Saturday. The latter is the high point of the event, offering numerous retro-themed attractions, including a ball in the evening. Throughout the event participants are expected to be dressed in appropriate outfits from the interwar era.

The tournament package includes two nights in a double-occupancy room with breakfasts, two tournament days with meals, and participation in the Hickory Day and the Retro Festival. The package price starts from €225 per person for a standard room. Add €15/€30 per person for a superior / an apartment, and €30 for a Friday practice round.
